BOARD AND DIRECTORS EVALUATION AND CRITERIA FOR EVALUATION

During the year, the Board has carried out an annual evaluation of its own performance & performance of the Directors.

Your Company has constituted Nomination and Remuneration Committee, which as per the provisions of Companies Act 2013 has defined the evaluation criteria, procedure and time schedule for the Performance Evaluation process for the Board, its Committees and Directors. The criteria for Board Evaluation inter alia include degree of fulfillment of key responsibilities, Board structure and composition, establishment and delineation of responsibilities to various Committees, effectiveness of Board processes, information and functioning.

Criteria for evaluation of individual Directors include aspects such as attendance and contribution at Board/ Committee Meetings and guidance/ support to the management outside Board/ Committee Meetings. In addition, the Chairman was also evaluated on key aspects of his role, including setting the strategic agenda of the Board, encouraging active engagement by all Board members and motivating and providing guidance to the Management. Criteria for evaluation of the Committees of the Board include degree of fulfillment of key responsibilities, adequacy of Committee composition and effectiveness of meetings. The procedure followed for the performance evaluation of the Board, Committees and Directors is detailed in the Directors' Report.

CRITERIA FOR DETERMINING QUALIFICATIONS, POSITIVE ATTRIBUTES AND INDEPENDENCE OF DIRECTORS:

The Nomination and Remuneration Committee has formulated the criteria for determining qualifications, positive attributes and independence of Directors in terms of provisions of Section 178(3) of the Companies Act 2013.

Independence:

In accordance with the above criteria, a Director will be considered as an 'Independent Director' if he/ she meet with the criteria for 'Independent Director' as laid down in the Act.

Qualifications:

A transparent Board nomination process is in place that encourages diversity of thought, experience, knowledge, perspective, age and gender. It is also ensured that the Board has an appropriate blend of functional and industry expertise. While recommending the appointment of a Director, the Nomination and Remuneration Committee considers the manner in which the function and domain expertise of the individual will contribute to the overall skill-domain mix of the Board.

Positive Attributes:

In addition to the duties as prescribed under the Act, the Directors on the Board of the Company are also expected to demonstrate high standards of ethical behavior, strong interpersonal and communication skills and soundness of judgment. Independent Directors are also expected to abide by the 'Code for Independent Directors' as outlined in Schedule IV to the Act.

REMUNERATION POLICY

The Company has adopted a Policy for remuneration of Directors, Key Managerial Personnel and other employees, which is aligned to its overall Human resource philosophy. The key factors considered in formulating the Policy are as under:

- (a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- (b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The key principles governing the Company's Remuneration Policy are as follows:

Remuneration for independent Directors and non-independent non-executive Directors:

- Independent Directors ('ID') and non-independent non-executive Directors ('NED') may be paid sitting fees for attending the Meetings of the Board and of Committees of which they may be members, and commission within regulatory limits, as recommended by the Nomination and Remuneration Committee ('NRC') and approved by the Board.
- Overall remuneration should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company, taking into consideration the challenges faced by the Company and its future growth imperatives. Remuneration paid should be reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay the remuneration and be consistent with recognized best practices.
- The aggregate commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters as may be decided by the Board. The NRC will recommend to the Board the quantum of commission for each Director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and Committee Meetings, individual contributions at the meetings and contributions made by Directors other than in meetings.
- The remuneration payable to Directors shall be inclusive of any remuneration payable for services rendered in any other capacity, unless the services rendered are of a professional nature and the NRC is of the opinion that the Director possesses requisite qualification for the practice of the profession.

Policy on Remuneration for Managing Director ('MD') / Executive Directors ('ED') / Key Managerial Personnel ('KMP')/ rest of the Employees:

- The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be market competitive, driven by the role played by the individual, reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay, consistent with recognized best practices and aligned to any regulatory requirements. Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience.
- In addition, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings. The Company also provides all employees with a social security net subject to limits, by covering medical expenses and hospitalization through re-imbursments or insurance cover and accidental death and dismemberment through personal accident insurance. The Company provides retirement benefits as applicable.
- In addition to the basic/ fixed salary, benefits, perquisites and allowances as provided above, the Company provides MD/ EDs such remuneration by way of commission, calculated with reference to the net profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Companies Act, 2013. The specific amount payable to the MD/ EDs would be based on performance as evaluated by the NRC and approved by the Board.
- The Company provides the rest of the employees a performance linked bonus. The performance linked bonus would be driven by the outcome of the performance appraisal process and the performance of the Company.

Sub : Impairment of Intangible Assets

The net asset value includes significant amounts of intangible assets (refer to note-3). The total net balance of IPR as at March 31, 2019 and March 31, 2020 is at Rs.915 Lacs. These IPR were transferred into the Company through merger of Leadsoft Softech Private Limited with N2N Technologies Limited through Scheme of Arrangement as sanctioned by Honorable High Court, Bombay.

In previous Audit Reports, the Statutory Auditor had provided under Emphasis of Matter that, the Intangible Assets are not tested for impairment. The Audit Committee had sought management opinion on the aspect of impairment of intangible assets of the Company. Per the opinion, the replacement value of such IPR is higher than the Book Value or record value of the Balance Sheet. Basis which the Intangible Assets are not tested for impairment.

However, basis recommendation from the Audit Committee, the Board has agreed to impair the IPR value by 50%, thereby booking onetime loss of Rs.457.51 Lacs.

Your Company is one of the intermediaries in a web based business segment. With India, being one of the favored investment destination, business structure is bound to become more & more sophisticated with latest technologies.

OPPORTUNITIES & THREATS

Though the conditions in IT & ITes industry are vibrant, there has been a lot of skepticism about various policy measures. Nevertheless, India has been considered as a favorite business destination by many foreign investors. The fundamental growth drivers of the country's economy as well as our company continue to remain strong despite the pressures of slowdown and inflationary conditions prevalent till recently in the nation and also globally. Therefore, the company is finding difficult to procure business in IT & ITes, and thus decided to concentrate on other opportunities.

SEGMENT-WISE PERFORMANCE

The income of the Company comprises of interest received. During the current year income from core activities was NIL.

OUTLOOK

The outlook is not positive due to global pandemic caused by novel Corona Virus.

RISKS & CONCERNS

The size of operation of your Company has always been a concern as IT & ITes player, as the industry is moving towards institutionalization. Primary market is dominated by few large players and it is increasingly difficult for small & mid cap entities to penetrate.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has developed formal and well-structured internal control systems to conduct the business within the framework of Regulations. The present structure & systems are adequate and commensurate to the size of operations of your company.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial year 2020-21, your company was unable procure any business in IT & ITes business, the only income it had was in form of interest received from funds deployed.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT:

There are no material developments in human resources /industrial relations front.

DISCLOSURE OF ACCOUNTING TREATMENT

Your Company follows Accounting Standards as prescribed by Institute of Chartered Accountants of India (ICAI) for preparation of financial statements; there is no other such different treatment followed for the same.

FORWARD-LOOKING STATEMENTS:

This report contains forward-looking statements based on certain assumptions and expectations of future events. The Company, therefore, cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements.

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF N2N TECHNOLOGIES LIMITED

Report on the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of **N2N TECHNOLOGIES LIMITED** (CIN: L72900PN1985PLC145004) (“the Company”), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss (including Other Comprehensive Income) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion paragraph below*, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- 1. The Company being a listed Company, as per Section 138 of Companies Act, 2013 read with Rule 13 of Companies (Accounts) Rules, 2014, Company is required to appoint Internal Auditor. However the Company has not complied with the same.*
- 2. The Company has not established its Internal Financial Controls over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.*

3. *The Company has not Made Provision for Professional Tax during the current financial year amounting to Rs. 2500; TDS payable amounting to Rs. 42,591 is outstanding for payment for more than 1 year, However interest and penalty for the same is not accounted for and accordingly Loss is understated to that extent, However exact calculation of interest liability is not ascertainable as the said balances are carried forward balances.*

Emphasis of Matter

We draw attention to **Note 24** to the accompanying annual financial results, which describe management's assessment of uncertainty relating to the effects of the COVID-19 pandemic on the Company's operations

We draw attention to **Note 23** to the accompanying annual financial results, which describe the following:

- a. Balances in the accounts of other financial liabilities, Trade Payables, Loans & Advances, Bank Balance are subject to confirmation / reconciliation & availability of relevant supporting documents & Agreements. The management does not expect any material adjustment in respect of the same effecting the financial statements on such reconciliation / adjustments.
- b. Intangible Assets "IPR" amounting to Rs. 915.02 lakhs is tested for impairment @50% during the current year.
- c. The Management does not have sufficient information in respect of the classification of Trade Payable Outstanding as on 31st March 2021 as MSME, Hence we assume that Trade Payables are not registered under MSME.
- d. It reflects from the Income tax portal that demand of Rs 73,19,360 & Rs. 28,37,040 for A.Y. 2014-15 & AY 2017-18 respectively is outstanding for payment. However Management is under process for necessary submission and accordingly contingent liability is provided.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the circumstances and facts of the audit and entity, there aren't key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore

the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit report we report that:
 - a) We have sought and, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss, including other comprehensive income, the cash flow statement and statement of changes in equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
 - e) On the basis of written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**"; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 - h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 17 to the financial statements.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses under the applicable law or accounting standards;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, if any; and
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure- B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE ‘A’ TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1(f) under the heading ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **N2N TECHNOLOGIES LIMITED** (“the Company”) as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on my/our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3)

provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for my / our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2021.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

1 Company overview

The Company is a public limited company, domiciled in India and registered with the ROC – Pune (Maharashtra) vide Corporate Identification number (CIN) L72900PN1985PLC145004.

Registered office of the Company is situated at Sun Lounge, Ground Floor, East Wing, Suzlon One Earth, Opp. Magarpatta City, Hadapsar, Pune 411 028.

The Company is into the business of IT & IT Enabled Services

2 Significant accounting policies

Statement of compliance

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013 Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2020, the Statement of Profit and Loss for the year ended 31 March 2020, the Statement of Cash Flows for the year ended 31 March 2020 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Standalone Financial Statements' or 'financial statements').

These financial statements are approved for issue by the Board of Directors on 7th August 2020

2.01 Basis of preparation of financial statements

The separate financial statements of the company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of the Companies Act, 2013 ("the Act"), except for:

- Financial instruments – measured at fair value;
- Assets held for sale – measured at fair value less cost of sale;
- Plan assets under defined benefit plans – measured at fair value
- Employee share-based payments – measured at fair value
- Biological assets – measured at fair value
- In addition, the carrying values of recognised assets and liabilities, designated as hedged items in fair value hedges that would otherwise be carried at cost, are adjusted to record changes in the fair values attributable to the risks that are being hedged in effective hedge relationship.

2.02 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is classified as current when it satisfies any of the following criteria: it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle.

it is held primarily for the purpose of being traded;

- It is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.
- A liability is classified as current when it satisfies any of the following criteria:
 - It is expected to be settled in the Company's normal operating cycle;
 - It is held primarily for the purpose of being traded
 - It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current only

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Standalone Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest two decimals of Crore, unless otherwise stated.

2.03 Standards issued but not effective (based on Exposure drafts available as on date)

The amendments are proposed to be effective for reporting periods beginning on or after 1 April 2020.

(A) Issue of Ind AS 117 – Insurance Contracts

Ind AS 117 supersedes Ind AS 104 Insurance contracts. It establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts within the scope of the standard. Under the Ind AS 117 model, insurance contract liabilities will be calculated as the present value of future insurance cash flows with a provision for risk.

Application of this standard is not expected to have any significant impact on the Company's financial statements.

(B) Amendments to existing Standards

Ministry of Corporate Affairs has carried out amendments of the following accounting standards:

1. Ind AS 1, Presentation of Financial Statements and Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors
2. Ind AS 40 – Investment Property

The Company is in the process of evaluating the impact of the new amendments issued but not yet effective.

2.04 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgments are:

- Valuation of financial instruments
- Useful life of property, plant and equipment
- Defined benefit obligation
- Provisions
- Recoverability of trade receivables
- Recognition of revenue and allocation of transaction price
- Current tax expense and current tax payable

Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

Summary of significant accounting policies

A summary of the significant accounting policies applied in the preparation of the financial statements is as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

2.05 Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Disclosures for valuation methods, significant estimates and assumptions
Financial instruments (including those carried at amortised cost)

Notes Forming Part of Financial Statements for the year ended March 31, 2021

2.06 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenues on sale of products, net of discounts, sales incentives, rebates granted, returns, sales taxes/GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when title and risk and rewards of ownership pass to the customer. Export incentives are recognised as income as per the terms of the scheme in respect of the exports made and included as part of export turnover.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest and dividend income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition

2.07 Inventories:

- i) Raw materials - is valued at the lower of cost or net realisable value. The cost is determined on FIFO /specific identification basis.
- ii) Finished goods - valued at the lower of cost or net realisable value. The cost of material is determined on FIFO/specific identification basis.
- iii) Work-in-progress is valued at material cost including appropriate production overhead.
- iv) Stores and spares are valued at the lower of cost or net realisable value. Cost is determined on FIFO basis.

2.08 Foreign currency transactions and translation

- i) Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated in functional currency at closing rates of exchange at the reporting date.
- ii) Exchange differences arising on settlement or translation of monetary items recognised in statement of profit and loss.
- iii) As the Company enters into business transactions based on the prevailing exchange rate, forward premium and other related factors, the gain/(loss) on this account is considered to be an integral part of the operations of the Company in accordance with industry practice and to avoid distortion of operating performance.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

2.09 Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided in full using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT)

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

2.10 a) Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment and capital work in progress cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent Cost

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognised and charged to the statement of Profit and Loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss.

b) Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment loss. The system software which is expected to provide future enduring benefits is capitalised. The capitalised cost includes license fees and cost of implementation/system integration.

Depreciation and amortisation

The depreciation on tangible assets is calculated on SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition of assets

An item of property plant & equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is derecognised.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

2.11 Investment property

Property that is held for long term rental yield or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment properties measured initially at cost including related transitions cost and where applicable borrowing cost. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is incurred the carrying amount of replaced part is derecognised.

Investment properties other than land are depreciated using WDV method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 i.e. 60 years for office premises. Investment properties include:

- (i) Land
- (ii) Office premises.

2.12 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.13 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in books of account but its existence is disclosed in financial statements.

2.14 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

2.15 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

2.16 Financial instruments

Initial recognition

The company recognise the financial asset and financial liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivable which are initially recognised at transaction price. Transaction cost that are directly attributable to the acquisition of financial asset and financial liabilities, that are not at fair value through profit and loss, are added to the fair value on the initial recognition.

Subsequent measurement

(A) Non derivative financial instruments

(i) Financial Assets at amortised cost

A financial assets is measured at the amortised cost if both the following conditions are met :

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except Investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

(ii) Financial Assets at Fair Value through Profit or Loss/Other comprehensive income

Instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

If the company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

(iii) Financial liabilities

The measurement of financial liabilities depends on their classification, as described below:

(a) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. However, the Company has borrowings at floating rates. Considering the impact of restatement of Effective interest rate, transaction cost is being amortised over the tenure of loan and borrowing.

(b) Trade & other payables

After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(B) Derivative financial instruments

The company holds derivatives financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. Company has taken all the forward contract from the bank.

The company have derivative financial assets/financial liabilities which are not designated as hedges;

Derivatives not designated are initially recognised at the fair value and attributable transaction cost are recognised in statement of profit and loss, when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit and loss. Asset/Liabilities in this category are presented as current asset/current liabilities.

Notes Forming Part of Financial Statements for the year ended March 31, 2021

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2.17 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

2.18 Employee Benefits

i) Defined contribution plans (Provident Fund)

In accordance with Indian Law, eligible employees receive benefits from Provident Fund, which is defined contribution plan. Both the employee and employer make monthly contributions to the plan, which is administered by the Government authorities, each equal to the specific percentage of employee's basic salary. The Company has no further obligation under the plan beyond its monthly contributions. Obligation for contributions to the plan is recognised as an employee benefit expense in the Statement of Profit and Loss when incurred.

ii) Defined benefit plans (Gratuity)

In accordance with applicable Indian Law, the Company provides for gratuity, a defined benefit retirement plan (the Gratuity Plan) covering eligible employees. The Gratuity Plan provides a lumpsum payment to vested employees, at retirement or termination of employment, and amount based on respective last drawn salary and the years of employment with the Company. The Company's net obligation in respect of the Gratuity Plan is calculated by estimating the amount of future benefits that the employees have earned in return of their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service cost and the fair value of plan assets are deducted. The discount rate is yield at reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligation. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognised asset is limited to the total of any unrecognised past service cost and the present value of the economic benefits available in the form of any future refunds from the plan or reduction in future contribution to the plan.

The Company recognises all Remeasurement of net defined benefit liability/asset directly in other comprehensive income and presented within equity.

iii) Short term benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as a related service provided. A liability is recognised for the amount expected to be paid under short term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

2.19 Earnings per share

Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

20 Fair Value hierarchy disclosures:

Level 1 - Financial Instruments measured using quoted prices. This includes listed equity instruments, traded bonds, ETF's and mutual funds that have quoted prices. The fair value of all equity instruments (including bonds) which are traded in stock exchanges is valued using the closing prices as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 - Financial Instruments that are not traded in an active market (for example traded bonds, over the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). This is the case of unlisted equity securities, contingent consideration and indemnification asset included in level 3.

The carrying amounts of trade receivables, cash and cash equivalent, current other financial assets are considered to be the same as their fair values, due to their short term nature.

The carrying amounts of non current financial assets are primarily consist of Term-Deposit with banks considered to be the same as their fair value as it the same is interest bearing and are close to the fair value.

The investment included in Level 1 of fair value hierarchy has been valued using quotes available in the active market. The investment included in Level 2 of fair value hierarchy has been valued using quotes available for the similar assets and liabilities in the active market. The cost of unquoted investments approximate the fair value because there is a wide range of possible fair value measurement and the cost represents estimate fair value within that range.
