While recommending the appointment of a Director, the Nomination and Remuneration Committee considers the manner in which the function and domain expertise of the individual will contribute to the overall skill-domain mix of the Board.

Positive Attributes:

In addition to the duties as prescribed under the Act, the Directors on the Board of the Company are also expected to demonstrate high standards of ethical behavior, strong interpersonal and communication skills and soundness of judgment. Independent Directors are also expected to abide by the 'Code for Independent Directors' as outlined in Schedule IV to the Act.

REMUNERATION POLICY

The Company has adopted a Policy for remuneration of Directors, Key Managerial Personnel and other employees, which is aligned to its overall Human resource philosophy. The key factors considered in formulating the Policy are as under:

- (a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- (b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The key principles governing the Company's Remuneration Policy are as follows:

Remuneration for independent Directors and non-independent non-executive Directors:

- Independent Directors ('ID') and non-independent non-executive Directors ('NED') may be paid sitting fees for attending the Meetings of the Board and of Committees of which they may be members, and commission within regulatory limits, as recommended by the Nomination and Remuneration Committee ('NRC') and approved by the Board.
- Overall remuneration should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company, taking into consideration the challenges faced by the Company and its future growth imperatives. Remuneration paid should be reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay the remuneration and be consistent with recognized best practices.
- The aggregate commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters as may be decided by the Board. The NRC will recommend to the Board the quantum of commission for each Director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and Committee Meetings, individual contributions at the meetings and contributions made by Directors other than in meetings.
- The remuneration payable to Directors shall be inclusive of any remuneration payable for services rendered in any other capacity, unless the services rendered are of a professional nature and the NRC is of the opinion that the Director possesses requisite qualification for the practice of the profession.

Policy on Remuneration for Managing Director ('MD') / Executive Directors ('ED') / Key Managerial Personnel ('KMP')/ rest of the Employees:

- The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be market competitive, driven by the role played by the individual, reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay, consistent with recognized best practices and aligned to any regulatory requirements. Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience.
- In addition, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings. The Company also provides all employees with a social security net subject to limits, by covering medical expenses and hospitalization through re-imbursments or insurance cover and accidental death and dismemberment through personal accident insurance. The Company provides retirement benefits as applicable.
- In addition to the basic/ fixed salary, benefits, perquisites and allowances as provided above, the Company provides MD/ EDs such remuneration by way of commission, calculated with reference to the net profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Companies Act, 2013. The specific amount payable to the MD/ EDs would be based on performance as evaluated by the NRC and approved by the Board.
- The Company provides the rest of the employees a performance linked bonus. The performance linked bonus would be driven by the outcome of the performance appraisal process and the performance of the Company.

Presently, no Directors or KMP of the Company is drawing any remuneration from the company

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

Over the years Indian IT & ITes industry has improved and developed as a sophisticated marketplace with modern facilities and amenities. With dedicated regulators, the functions have become systematic and controlled providing depth & discipline to the industry structure. Your Company is one of the intermediaries in a web based business segment. With India, being one of the favored investment destination, business structure is bound to become more & more sophisticated with latest technologies.

OPPORTUNITIES & THREATS

Though the conditions in IT & ITes industry are vibrant, there has been a lot of skepticism about various policy measures. Nevertheless, India has been considered as a favorite business destination by many foreign investors. The fundamental growth drivers of the country's economy as well as our company continue to remain strong despite the pressures of slowdown and inflationary conditions prevalent till recently in the nation and also globally. Therefore, the company is finding difficult to procure business in IT & ITes, and thus decided to concentrate on other opportunities.

SEGMENT-WISE PERFORMANCE

The income of the Company comprises of interest received. During the current year income from core activities was as per the P&L Account.

OUTLOOK

The outlook is partially positive and IT business continue to be under pressure in USA.

RISKS & CONCERNS

The size of operation of your Company has always been a concern as IT & ITes player, as the industry is moving towards institutionalization. Primary market is dominated by few large players and it is increasingly difficult for small & mid cap entities to penetrate.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has developed formal and well-structured internal control systems to conduct the business within the framework of Regulations. The present structure & systems are adequate and commensurate to the size of operations of your company.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial year 2023-24, your company was able to provide IT Professional Services to Consello Technologies Inc. USA.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT:

There are no material developments in human resources /industrial relations front.

DISCLOSURE OF ACCOUNTING TREATMENT

Your Company follows Accounting Standards as prescribed by Institute of Chartered Accountants of India (ICAI) for preparation of financial statements; there is no other such different treatment followed for the same.

Independent Auditor's Report

To the Members of **M/S N2N TECHNOLOGIES LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of M/S N2N TECHNOLOGIES LIMITED (CIN: L72900PN1985PLC145004) ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its profit/loss and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- The company being listed company, as per Section 138 of the Companies Act read with Rule 13 of the Companies (Accounts) Rule, 2014, the company is required to appoint internal auditors. However, the company does not comply with the same requirements.
- Refer to Note No. 2 of the Notes to the Financial Statement, The Company has not established its Internal Financial Controls over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls.
- Refer to Note No. 3, 4, 5, 6 & 7 of the Notes to the Financial Statement, where accounting irregularities reported which, the company is not complied with or to be complied with.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Emphasis of Matter

We draw attention to the accompanying annual financial results, which describe management's assessment of uncertainty on the Company's operations.

We draw attention to the outstanding demand of income tax for

- a. A. Y. 2014-15, Demand of Rs. 1,14,65,269/-
- b. A.Y. 2017-18, Demand of Rs. 36,59,762/-
- c. A.Y. 2017-18, Demand of Rs. 48,61,732/-

with respect to Income Tax is showing outstanding. As per Management, Procedures for reply are under process for the A.Y 2014-15 & A.Y 2017-18 & Other Assessment years and accordingly contingent liability is also booked based on the management Assessment of the demand.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has

adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company. Please refer Note No. 2 of the Notes to the Financial Statement, The Company has not established its Internal Financial Controls over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls. Refer Annexure "A".
- g) With respect to the matter to be included in the Auditor's Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

v. No dividend have been declared or paid during the year by the company.

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/S N2N TECHNOLOGIES LIMITED as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company does not have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. COMPANY OVERVIEW

The Company is a public limited company, domiciled in India and registered with the ROC – Pune (Maharashtra) vide Corporate Identification number (CIN) L72900PN1985PLC145004.

Registered office of the Company is situated at Office No 202, Kumar Primus, Pune Solapur Highway, Hadapsar, Pune 411 028.

The Company is into the business of IT & IT Enabled Services.

1.1. BASIS OF PREPARATION AND PRESENTATION

This note provides a list of the significant accounting policies adopted in the presentation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

A. BASIS OF PREPARATION AND PRESENTATION

The financial statements of the Company have been prepared in accordance with and to comply in all material aspects with the Indian Accounting Standards (Ind AS) as prescribed under Companies Act 2013 ("the Act"), Companies (Indian Accounting Standards) Rules 2015 and other relevant provisions of the Act and rules made thereunder.

These financial statements for the year ended 31 March 2019 are the first financial statements of the Company under Ind AS. The date of transition to Ind AS is 1st April 2016. Reconciliations and descriptions of the effect of the transition have been summarized in note 2.1 to 2.5 for an explanation of how the transition from Indian GAAP (IGAAP) to Ind AS has affected the Company's financial position, financial performance and cash flows.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

B. USE OF ESTIMATES AND JUDGEMENTS

The preparation of the financial statements is in conformity with Ind AS which requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates.

The estimates and underlying assumptions are reviewed on Going Concern basis.

Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, in the period of the revision and future periods if the revision affects both current and future

C. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. Fair value for measurement and /or disclosure purpose in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

For other fair value related disclosures refer note no 25

D. CLASSIFICATION OF EXPENDITURE / INCOME

Except otherwise indicated:

- All expenditure and income are accounted for under the natural heads of account.
- All expenditure and income are accounted for on accrual basis.

2. SIGNIFICANT ACCOUNTING POLICIES

A. REVENUES

Revenues from sale of securities

Revenue from the sale of securities in the course of ordinary activities is measured at the value of the consideration received or receivable. Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or

managerial involvement with, the goods, and the amount of revenue can be measured reliably. The timing of transfers of risks and rewards normally happen upon issue of contract by the intermediary.

Capital Gains

Income/(Loss) from the sale of securities held as Investments is measured at the value of the consideration received or receivable and reported as Profit/(Loss) on sale of Investments in Securities.

Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that exactly discounts estimated future cash flows through the expected life of the financial asset to that asset's net carrying amount on the initial recognition.

Dividend Income

Dividend income is recognized when the right to receive is established, which is generally when shareholders approve the dividend.

Rental Income

Rental income from Investment Property and Property, Plant & Equipment is recognised as part of Other Income in profit or loss on a straight-line basis over the term of the lease except where the rentals are structured to increase in line with expected general inflation. Lease incentives granted are recognised as an integral part of the total rental income, over the term of the lease. Rental income from sub-leasing is also recognised in a similar manner and included under other income.

B. PROPERTY, PLANT AND EQUIPMENT (PPE)

Recognition and measurement:

The Property, Plant and Equipment (PPE) are recorded at cost net of depreciation.

C. INTANGIBLE ASSETS

The Intangibles has been impaired fully.

D. INVENTORIES

The Company does not have any Inventory.

E. FINANCIAL INSTRUMENTS

Initial Recognition:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Recognition:

Non-derivative financial instruments

(i) Financial assets carried at amortized cost: A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income: A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss: A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

(iv) Financial liabilities: Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate to its fair value due to the short maturity of these instruments.

(v) Investment in Subsidiaries/Joint ventures / Associates: Investment in subsidiaries / Joint Ventures / Associates are carried at cost in the separate financial statements. Any gain or losses on disposal of these investments are recognized in the statement of profit & loss.

De-recognition of Financial Assets:

A financial asset is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

F. FINANCIAL LIABILITIES

Financial liabilities are initially recognized at the fair value of the consideration received less directly attributable transaction cost.

Subsequent to initial measurement, financial liabilities are measured at amortized cost. The difference in the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit & loss over the contractual term using the effective interest rate method. This category includes the following class of liabilities; trade and other payables, borrowing; and other financial liabilities.

Financial liabilities are further classified as current and non-current depending whether they are payable within 12 months from the balance sheet date or beyond.

Financial liabilities are derecognized when the company is discharged from its obligation; they expire, are cancelled or replaced by a new liability with substantial modified terms.

Derecognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

G. TRADE RECEIVABLES

There are no trade receivables.

H. LOANS AND ADVANCES

Loans and advances are non-derivative financial assets with fixed and determinable payments. This category includes the loans, cash and bank balances, other financial assets and other current assets.

Subsequent to initial measurement, loans and receivables are carried at amortized cost based on effective interest rate method less appropriate allowance for doubtful receivables. Loans and advances are further classified as current and non-current depending whether they will realize within 12 months from the balance sheet date or beyond.

I. EARNING PER SHARE

Basic Earnings Per Share is computed by dividing the net profit attributable to the equity shareholders of the company to the weighted average number of Shares outstanding during the period & Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders of the company after adjusting the effect of all dilutive potential equity shares that were outstanding during the period to the weighted average number of shares outstanding during the period including the weighted average number of equity shares that could have issued upon conversion of all dilutive potential

J. TAXATION

Current Tax

Current tax is tax expected, tax payable on the taxable income for the year, using the tax rate enacted at the reporting date, and any adjustment to the tax payable in respect of the earlier periods.

Current tax assets and liabilities are offset where the company has legal enforceable right to offset and intends either to settle on net basis, or to realize the assets and settle the liability simultaneously.

Deferred Tax Assets and Liabilities

Deferred tax is recognized for all taxable temporary differences and is calculated based on the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the assets can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset and when the deferred tax balances relate to taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but the Group intends to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Current and Deferred Tax for the Year

Current and deferred tax are recognized in the statement of profit & loss, except when they relates to items that are recognized in other comprehensive income or directly in equity, in which case, the current tax and deferred tax is recognized directly in other comprehensive income or equity respectively.

K. EMPLOYEE BENEFITS

The company provides for the various benefits plans to the employees. These are categorized into Defined Benefits Plans and Defined Contributions Plans. Defined contribution plans includes the amount paid by the company towards the liability for Provident fund to the Employees Provident Fund Organization and Employee State Insurance fund in respect of ESI and defined benefits plans includes the retirement benefits, such as gratuity and paid absences (leave benefits) both accumulated and non-accumulated.

a. In respect Defined Contribution Plans, contribution made to the specified fund based on the services rendered by the employees are charged to Statement of Profit & Loss in the year in which services are rendered by the employee.

b. Liability in respect of Defined Long Term benefit plan is determined at the present value of the amounts payable determined using actuarial valuation techniques performed by an independent actuarial at each balance sheet date using the projected unit credit methods. Re-measurement, comprising actuarial gain and losses, the effects of assets ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of Financial Position with a charge or credit recognized in other comprehensive income in the period in which they occur. Past Service cost is recognized in the statement of profit & loss in the period of plan amendment.

c. Liabilities for accumulating paid absences is determined at the present value of the amounts payable determined using the actuarial valuation techniques performed by an independent actuarial at each balance sheet date using the projected unit credit method. Actuarial gain or losses in respect of accumulating paid absences are charged to statement of profit & loss account.

d. Liabilities for short term employee benefits are measured at undiscounted amount of the benefits expected to be paid and charged to Statement of Profit & Loss in the year in which the related service is rendered.

L. IMPAIRMENT

Financial assets

The company recognizes the impairment on financial assets based on the expected credit loss model for the financial assets which are not fair value through profit and loss account. Loss allowance on trade receivables, with no significant financing component is measured at an amount equal to lifetime expected credit loss. For all financial assets expected credit losses are measured at an amount equal to 12-month ECL unless there has been significant increase in credit risk from initial recognition in which case these are measured at lifetime expected credit loss. The amount of expected credit losses or reversal that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the profit and loss for the period.

Intangible assets, investment property and property, plant and equipment

Intangible assets, investment property and property plant & equipment are evaluated for recoverability wherever events or changes in circumstances indicate that their carrying amount may not be recoverable.

For impairment testing, assets that do not generate independent cash flows are grouped together into cash generating units (CGUs).

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such asset is considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit & loss if there have been changes in the estimates used to determine the recoverable amount. The carrying amount is increased to its revised recoverable amount, provided that this amount does not exceeds the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss has been recognized for the asset in prior years.

M. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognized, if as a result of past event the company has present legal or constructive obligations that is reasonably estimable and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to liability.

Contingent liabilities are disclosed for possible obligations arising out of uncertain events not wholly in control of the company.

Contingent assets are not recognized in the financial statements. However due disclosures are made in the financial statements for the contingent assets, where economic benefits is probable and amount can be estimated reliably.

N. FOREIGN CURRENCY TRANSACTIONS

Functional Currency

The Companies functional currency is Indian Rupees. The financial statement of the company is presented in Indian rupees.

Transaction and translations

Transactions in currency other than Indian Rupees are recorded at the rate, as declared by the custom and excise department / inter-bank rates, ruling on the date of transaction.

Unsettled Foreign currency denominated monetary assets and liabilities, as at the balance sheet date, are translated using the exchange rates as at the balance sheet date. The gain or loss resulting from the translation is recognized in the profit & loss. Non-monetary assets and non-monetary liabilities denominated in foreign currency and measured at cost are translated at the exchange rate at the date of the transaction.

Non-monetary assets and non-monetary liabilities denominated in foreign currency and measured carried at fair value are translated at the date when the fair value is determined.

Transaction gain or losses realized upon settlement of foreign currency transaction are included in determining the net profit for the period in which transaction is settled.

Exchanges difference arises on settlement / translation of foreign currency monetary items relating to acquisition of property, plant & equipment till the period they are put to use for commercial production, are capitalized to the cost of assets acquired and provided for over the useful life of the property, plant & equipment.

O. NON CURRENT ASSETS HELD FOR SALE AND DISCONTINUED OPERATIONS

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell.

Assets and disposal groups are classified as held for sale if their carrying value will be recovered through a sale transaction rather than through continuing use. This condition is only met when the sale is highly probable and the asset, or disposal group, is available for immediate sale in its present condition and is marketed for sale at a price that is reasonable in relation to its current fair value. The Company must also be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Where a disposal group represents a separate major line of business or geographical area of operations, or is part of a single coordinated plan to dispose of a separate major line of business or geographical area of operations, then it is treated as a discontinued operation.
